- Referral and advocacy for detoxification and rehabilitation facilities

“I have been shown kindness and respect at a time when I could not show this to myself or anyone else. I have been shown that it’s okay to take a chance and that being honest far outweighs keeping secrets. With a lot of help I have done what I have been trying to do for years – live life without drugs and alcohol. ”

Things to consider

WHOS provides a comprehensive assessment and referrals service, as well as the day program which consists of group work and individual support provided by experienced drug and alcohol workers.

The three service streams offered are:

1. Referrals to relevant services
2. Case management – appointment based
3. Day Program – Group work over 6 week cycle plus individual counselling sessions.

The day program operates on a six-week rotating cycle which includes group work and counselling.

Group work covers:

**MARRIN WEEJALI
ABORIGINAL CORPORATION**
Substance Misuse – Social and Emotional Wellbeing Healing Centre

Application Process

Initial assessments are carried out over the phone by staff. If eligible you will be required to come to the service for an interview. For more information please contact the WHOS Hub Staff on (02) 9131 8080.
